

# Diagnostic Imaging

A Galaxy Health Network Value Added Benefit

Make the most of your member discount plan by choosing from a comprehensive radiology network of quality imaging centers, knowing that you are managing both the **cost** and **quality** of healthcare.

## Diagnostic Imaging Network for MRI and CT Scans

Through an exclusive partnership with One Call Medical (OCM), Galaxy Health Network (GHN) can offer significant discounts to members for advanced diagnostic imaging procedures such as Magnetic Resonance Imaging (MRI) and Computed Tomography (CT) scans. OCM was the first company in the nation to develop a business devoted exclusively to managing advanced radiology (MRI and CT) costs. For over 16 years One Call Medical has been the preferred solution for ensuring access to high-quality radiology testing at lower costs.

### Benefits of using OCM network:

Access to over 2,900 radiology centers located throughout the United States

Providers undergo a rigorous credentialing and peer review process for radiology quality

- Unique scheduling services to assist members with selection and scheduling of appointments
- Coast-to-coast call centers operating 7:00am-7:30pm CST with multilingual staff

Up to **80% discounts** on MRI and CT Scans

Quality care and service at no additional costs

## Quality Network Providers

One of the most important considerations when choosing a network provider is the understanding that quality providers are participating. Because each imaging center and radiologist that participates in GHN/OCM imaging network is credentialed to rigorous quality standards, you are assured to receive the finest diagnostic care in the nation – as quickly as possible at significantly reduced costs.

As the nation's largest advanced radiology network, One Call Medical offers member access to a specialty panel of over 2,900 high-quality radiology imaging centers. Our coverage area serves all of the major population centers in the US and also provides access in many rural markets. Finding a participating facility close to your work or home is just a phone call away!

## Patient Assistance Service

The GHN/OCM dedicated team of specialists provides personalized attention and delivers world class service that includes:

- Toll-free telephone access
- Multilingual customer service staff
- Priority appointment scheduling
- Coast-to-coast coverage with hours of operation 7:00am-7:30pm CST

## How Does The Program Work?

## Savings Benefit

In 2009, GHN's value added benefits program will save consumers over \$200 million. Our network providers can save members **up to 80%\* less** than the usual costs for advanced radiology testing.

\*Savings may vary based on geographic location
